Mr. Berrett

EPA is establishing a website where claimants may submit claims for personal injury or property damage. To submit a claim you will need to fill out Standard Form 95 located at

<http://www.epaosc.org/sites/11082/files/StandardForm95.pdf>

After you fill out Standard Form 95 you may submit it via email **beginning Tuesday August 11, 2015** at the following website:

[R8\\_GKM\\_Claims@epa.gov](mailto:R8_GKM_Claims@epa.gov)

Please let me know if I can be of further assistance.

Sandy

**Subject: Loosing my business! -- Gold King Mine Discharge**

Dear Paula and Walter,

My manager spent all day today trying to get information as to the health threat of the Gold King Mine spill to the San Juan River specifically on the section from Bluff Utah to Clay Hills Crossing. I own Wild Rivers Expeditions located in Bluff Utah right on the river which has been running river trips for over 58 years on this stretch including daily and multi-day trips. This week alone we stand to loose over \$10k if we cancel our trips. We are a small company and this may not seem like much, but this really hurts. The most frustrating deal is that we cannot get any information as to the health risks our clients and guides are facing from this spill at this section on the river. We are trying to figure out if we have to cancel the rest of the season or any trips at all!!!? This is our livelihood and we have clients and our business with our lives oh hold! Please HELP! Can either or both of you please have someone from your offices who have some information reach out to me or my manager Dallin Tait at our main office (435) 672-2244 immediately Monday morning? Our livelihood depends on it.

Sincerely,  
Jared Berrett, Owner
